

## **Statement of Commitment**

Enercare is committed to treating all people in a way that allows them to maintain their dignity and independence. Enercare is committed to providing a barrier-free environment for its customers, suppliers, visitors, employees and other stakeholders who enter its premises or access its information. Enercare respects and upholds the requirements set forth under the Accessibility for Ontarians with Disabilities Act, 2005 (AODA) and is committed to achieving an accessible Ontario.
